Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Monday 18 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Persistent and heavy rain over the next few days.

Today:
A dry start with some bright spells during the morning, but often cloudy. Outbreaks of rain are expected during the afternoon, heavy in some areas. Maximum temperature 8 deg C (46 deg F).

Tonight:
Rain will continue moving into the region through the night from the west, although some dry spells are expected at times. Winds increasing. Minimum temperature 6 deg C (43 deg F).

Tuesday:
A windy day as rain persists, bringing heavy downpours, with some dry spells at times. Maximum temperature 10 deg C (50 deg F).

Outlook for Wednesday to Friday:
Wednesday will be windy with persistent and heavy rain. Drier and colder conditions on Thursday through to Friday, with clear spells at times.
